Christmas Lights To Be Strung By Businessmen

Local business firms this week were stringing colored lights in front of their stores to lend to the Christmas atmosphere.

In a move sponsored by the Chamber of Commerce, all firms were urged to obtain standard outdoor Xmas lights and string them up as soon as possible. "Bud" Stewart of McMahans is handling the project.

These lights are obtainable at Lemon Grove Hardware, Carr's and Western Auto Store.

Grove To Have Tallest Xmas Tree

Lemon Grove will have the biggest decorated Christmas tree in San Diego County. The tree is located on the south side of Broadway, east of Imperial, near the medical building.

The tree will have more than 500 colored lights and will be topped by a huge lighted star. The decoration is scheduled to be completed by December 12th, which is the night, incidentally, that local stores start staying open till 9 p. m.

The tree will be visible for miles in every direction except those areas cut off by hills to the north. The cost is being underwritten by local firms and the decorating firm is the same one which decorated Chula Vista and Ocean Beach.

Helix Band Takes Top Honors

The Helix High School Band is Champion of the 12th annual All Western Band Review. This 87-piece band received the sweepstakes reward at Long Beach where they paraded before 250,000 onlookers, Saturday night.

This was the second appearance at the Long Beach Band Review for the green and gray Highlander Band. They first competed in 1951, the year the band was organized.

Other winners from the San Diego area were the Bonham Brothers' Boys Band, and Martha McDonald of Grossmont, who was selected All Western Majorettes.

TWO NEW MEMBERS FOR KIWANIS

John Landesco and Roy Lane became members of the Lemon Grove Kiwanis Club this week at an induction ceremony presided over by John Dail. Landesco is well known for his activity on the Democratic Central Committee. Lane is the operato of two shops in the community.

NICKLE RIDE STILL WITH US

The last remaining "nickle zone" on California buses is in Lemon Grove. And the bus line boasting the last outpost of the fast declining nickle is marking its fifth anniversary of service to Lemon Grove riders this week.

Fred Allen, co-owner of the Economy Bus line serving Lemon Grove, Spring Valley, Casa De Oro and Homelands, said that his firm is presently carrying more than 100,000 passengers a year on the 13¼ mile route which has its terminal at the Greyhound Station at Broadway and First in San Diego.

The 5 Economy buses make 11 round trips daily Allen says, and more equipment and more frequent service is coming. "We'll keep up with the fast growth of the Grove," he promises.

In partnership with Allen is Clayton Eslinger of Casa De Oro who started the transportation facility. The two men met in church in their home town, El Dorado Springs, Mo., a number of years ago. Eslinger came to California to live and Allen went into the Navy. Allen joined Eslinger in the newly formed bus line upon his discharge. The line has grown as prospered.

Allen lives in Casa de Oro, Eslinger lives in Encanto. While the partners drive their wives handle the office routine and the children. Alvetta Allen tends Sandra Lee and Cynthia Ann while Ellen Eslinger minds George and Sydney.

Oh, yes! That nickle trip is Massachusetts to Lemon Grove. Also the Brookside to Lemon Grove trip is a jitney.

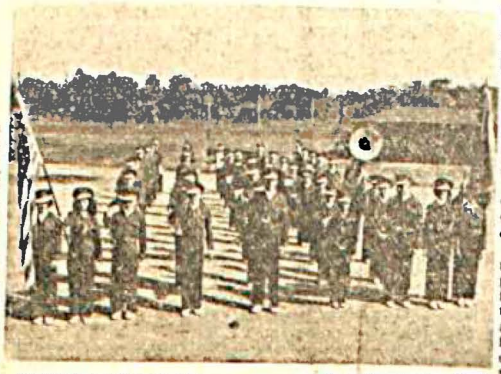
LETTERS TO THE EDITOR

Fellow Citizens:

Can Lemon Grove now, or in the near future, offer our high school pupils as broad a program as they are now getting under the Grossmont District? Many educators who live in La Mesa, but are employed elsewhere, believe that La Mesa can not. If as large a district as La Mesa-Spring Valley cannot, then how can we? Among the educators who are opposed to the unification of the La Mesa-Spring Valley District, as stated in the La Mesa Scout, are "Dr. Richmond Barbour, director of guidance of the San Diego Schools: Jesse Ault, retired dean of education at San Diego State College; Gilbert Judy, of San Diego Schools; Dr. C. G. Osborn, Dr. Sidney L. Gulick, Dr. Louis E. Smith, Jr., and Dr. Chester B. Kennedy, all of San Diego State College."

Because of compulsory education, children must attend school through high school. Is it fair to have them "mark time" for four years because the academic type program does not meet their needs? Will they not become discipline problems if they are forced to sit in classes not suitable to their abilities? Grossmont has made great strides in broadening its program, being now able to offer advanced classes in shop, science, commercial, and agricultural subjects, as well as music, art, etc. Some of our administrators here in Lemon Grove have admitted that we could not offer such a broad program at first. Why take a step backward? Must we assume an additional tax burden of $600,000 just to fulfill the desire of some to have "our own high school"? Might it not be better to use the added state funds from Proposition 2 to enrich further our elementary school program. Some of our children are still on double session in our elementary schools; there is where the foundation is laid. Our tax rate is $3.40 per $100; San Diego's is $2.31.

The Grossmont Board has been accused of having no plans to build a high school in Lemon Grove. What about Helix? It was placed in a population center to serve Lemon Grove and part of La Mesa. They also planned a high school in Spring Valley close enough to Lemon Grove to serve the eastern section of our district. Our children have enjoyed their contacts and friendships with young people of other communities. Why not continue to work with our neighbors to give our children more and better opportunities? —Mr. and Mrs. D. F. Ellis.



Lemon Grove Schools were represented at the Mother Goose Parade last Sunday in El Cajon and as usual brought home new trophies. The school band, colorful in new uniforms and under the direction of Paul Cheatham, won a participation trophy. Similar awards were made to the majorettes, with Kay Nevis, drum major, and to the Pom Pom Corps, which is under the direction of Donna Dreyer.

Lemon Grove Band Looks, Sounds Slick

It was a full year of toil and travail but the Music Parent's Club have done it. Every band member of the Lemon Grove School Band has been fitted into a kelly green and gold uniform.

Sparked by Mrs. Forrest Baxter and Mrs. William Cabral, a uniformed band became a reality in time to march in the Mother Goose parade, and soon in the National City Band parade.

Room Mothers decided the youngsters needed the uniforms more than a year ago and formed the Music Parents Club.

Then a series of money making projects were developed. These included a rummage sale; help from the Lions and Kiwanis clubs; a scrap metal drive and booths at the annual PTA carnivals; assistance from Jr. Woman's Club and Business men's League and other public spirited group.

"We did it mostly because people said it couldn't be done," laughed Mrs. Baxter. "It took over a thousand dollars but our kids look like a million."

She said the tireless effort on the part of other of the organization members made the project a success. Other executives are Mmes: Cabral, Anderson, McMahon and Hodge.

Forty additional uniforms will be needed for the Maytime Band Review come spring, she pointed out in urging other interested residents to join the Band Parents. Membership fee is $1 and membership is not restricted to those having children in the band. As a matter of fact, anyone at all may join.

MIL'S MUSINGS

By Richard Milbrodt

Here is a new addition to the REVIEW, a little column of facts and fantasy, little things that escape notice, items of interest; the unusual and the ordinary. If you have any additions or corrections, suggestions, or opinions on our effort, let us know. Don't hold back.

Has anyone seen that partially finished building on the south side of Broadway, near Massachusetts, recently? At one time intended to be a candy factory, the entire rear wall and both end walls, beams and all, have Collapsed. A victim of the rains.

Word to the thief's Dept: One of the local grocery stores will employ a full time detective to catch members of the light fingered fraternity.

Following the recent League of California Cities convention in San Diego, one of the delegates toured the Lemon Grove area in order to familiarize himself with a so called fringe area development that had been mentioned in the convention. His comment? "Simply appalling!" He claims nowhere in the state had he seen such a terrible result of a lack of government. (Name on request).

New Chief For Fire Department

Harold "Pappy" Hensley, charter "call man" with the Grove fire department was named chief this week in a shake-up described by the board of fire commissioners as a move to "further strengthen" the department.

Members of the board pointed out the new low fire rate put into effect here earlier this year and expressed determination to keep this rate low. Hensley's experience, they stated, was an essential part of the formula.

Ray Carmody and Joe White were both given rank of captain in the changeover.

Hensley has been commanding officer of the fire department at Convair for the past ten years and was a fireman for 5 years with the Lawrence, Kansas department. His department at Convair has been extremely active but this activity is classified.

Hensley lives at 7249 Central Avenue. His wife Marguerite is active in the Congregational Church, leading the youth choir. She is a member of the San Miguel PTA. There are three children; Robert, 14, Carol Lynn, 7, and Dickie, 2.

The Grove department consists of six regular men, 7 volunteers and three pieces of automotive equipment.

"O" Day Set By Grove Merchants

You can spend the family Christmas bankroll a little later starting Friday, December 12th. That's the date Lemon Grove business houses have established for staying open every night until 9 p. m. until Christmas.

Late open hours until the 12th will be Friday night only, as has been the custom through the year.

As usual however, adequate parking facilities will be a major keynote of the holiday shopping season. Good variety and good values will continue to be attractive to area shoppers.

Super Market For Spring Valley

While most eyes are on the development of the Grove proper, the surrounding area is keeping pace with the unprecedented growth and the "fringes" are now building up around us.

Proof of this expansion is the newest super-market in the foothills, an enterprise formerly in La Mesa and now occupying its own building in Spring Valley at Campo and Bancroft Rds. Name of the shopping mart is "The Market." It opens December 11th.

Operated by two experienced businessmen, Al Abelson and Leo Zwiebel, The Market was formerly on La Mesa Blvd. but elected to move closer to the Grove when their 5 year lease expired.

The Market has 7500 square feet of sales areas, making it the largest market in the Lemon Grove, La Mesa, Spring Valley area. It will have a service and self serve meat department.

Orchids, electrical appliances and groceries will be distributed to visitors. The flowers will be given free and the other prizes will be by drawing. Balloons, ice cream and candy will be given to all youngsters.

Among the features of the new market will be clerk unloading of baskets at the check stand; wide aisles for ease of shopping and continuous music. A big paved parking area surrounds the market.

Letter To Grove Citizens

Lemon Grove Voters:

This is to clear up some of the inaccuracies in the D. F. Ellis letter in the interest of helping the voter be properly informed.

First: Dr. Barbour does not write for the La Mesa Scout. The writers have their newspapers confused.

Second: Most of the professors named are opposed to La Mesa's plan, not Lemon Grove's. Even if this were not so I would question the qualifications of these able educators in psychology, history, English and physics to establish themselves as authorities of school organization and finance as opposed to intelligent lay people who have business, property and children involved in this district.

Third: "marking time" is out! Delay in starting high school will hamper the educational program. Most California high schools having less than 700 pupils offer a well-rounded program including courses in shop, science, commerce and agricultural subjects. Delay may mean double sessions!

Fourth: A high school here is not "a step backward." Not for those with an eye toward the future. We know that Sweetwater and Mar Vista have been broken into smaller schools because 700 to 1500 size is the best size for our children's high school.

For the information of the Ellis', and others who may not know it, Proposition 2 funds are earmarked elementary and high school. Only high school funds may be used for high schools.

Fifth: The "$600,000 tax burden" has nothing to do with the case. We will be bonded to capacity if we remain as part of Grossmont. If we unify we will not be bonded to capacity. However, to be eligible for state aid which is necessary in order to have a high school, we must bond to capacity. The tax burden will not change . . . only the location of the high school will. As matters now stand, Helix will soon be inadequate (check area's population growth) for the area it was designed to serve (Lemon Grove and part of La Mesa). As a matter of fact, the next high school is planned for El Cajon, not Spring Valley. That's quite a safari for several hundred Lemon Grove students daily.

Sixth: The San Diego-Lemon Grove school tax rate comparison is incomplete. Even if the question of annexing to the San Diego school district were the question, which it is not, it's like comparing eggs with apples. San Diego city tax rate is based on an entirely different assessed valuation. The $3.40 tax rate quoted here includes elementary, high and San Diego Junior College tax.

Finally: In that students attending Helix now will continue through graduation it is hard to comprehend the reasoning in the charge that contacts and friendships would be lost. The editor of the REVIEW sincerely believes that the pooling of our interests in a complete, local school system will be the finest type educational heritage we can give our young ones.

—Max Goodwin.

8 Point Joe Joins Berendt Galley Of Type

Personnel at the REVIEW has increased. Latest addition is Joseph Berendt Junior, of Leewood Trailer Court, Massachusetts and Broadway who will become a printer if he follows in the footsteps of his father, Joseph Senior, who is presently the chief linotype operator at the REVIEW.

Joe Junior joined his parents, Marilyn and Joseph Berendt at the Naval Hospital in San Diego at 9:21 p. m. November 19th. He weighed 8 pounds, 5 ounces and was 19 and ½ inches tall.

The father, assigned to the Navy, wangled a 10 day pass on the strength of the new arrival. The mother, a cute lass from Chicago, is bearing up well under the burden of having two men underfoot.

In the meanwhile, the trailer is bulging with gifts from the youngster's grandparents and relatives. These reside in Los Angeles and Chicago.

If a diaper is inadvertantly folded into the current issue of your REVIEW, blame it on Berendt excitement.

Business Woman's League Party Dec. 13th

The Business Women's League of Lemon Grove met at the Women's Club House last Thursday with Mrs. Al Huebsch presiding. Guest speakers were Mr. Byron Newley and Mr. Jim Pierce. They presented some slides giving information regarding unification. Other guests were Mrs. Randolph Morse, Mrs. I. H. Cass, Mrs. Sam Kahan, Mrs. Herbert Johnson, and Mrs. Paul Tilton. Mrs. Kahan became a new member.

Plans were made for a Christmas party Saturday night, December 13th at 7:30 at the Youth Center for all members and their husbands. A buffet supper with a great variety of food including ham and turkey is planned. Reservations will be two dollars per plate.

A motion passed to give fifteen dollars to the Thanx organization for the purchase of packages for boys in Korea. It was felt that this was a fine way to spend some of the Club's Christmas welfare fund.

Mrs. C. S. Dail has a Business Women's pin found by Mrs. H. Russell. The member who lost it may have it back by seeing Mrs. Dail.

Scene of Nativity For Grove Park

Proposal of the REVIEW to set a scene of the Nativity in the park in Lemon Grove has been taken up to the local Kiwanis club and all local churches will be invited to participate in the holy tableau, it was announced Wednesday at the weekly Kiwanis meeting.

Tentative plans are to set up a manger in the park, inclose it with a corral in which live animals will be used. Such a pastoral scene would be the backdrop for nightly tableaus depicting the arrival of the Holy Infant.

Plans also are to have a different church group taking part each evening with choral groups supplying musical background.

The portrayal would last about one hour each night and the action would be spotlighted from nearby buildings.

NEW DIRECTORS FOR GROVE C. of C.

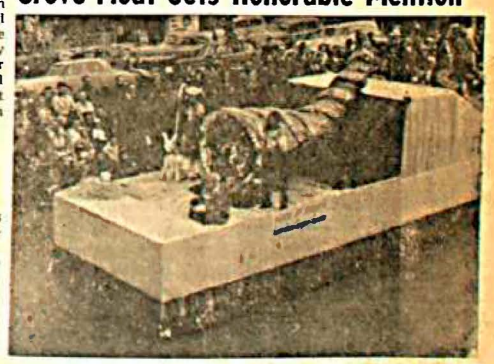
Four new Chamber ofCommerce directors were named this week at the Chamber's annual meeting in the Women's Club.

They are James Pearce and Roy Neilson; real estate broker, Robert Gaulden, builder, and Max Goodwin publisher of the Lemon Grove Review. These were named for a three year term.

Hold-over directors are Forrest Baxter, president; Mrs. Jeanette Vaughn, Wayne Johnson, Mrs. Irving Verniet, Dr. William Brown, Jack Koop, Roy Lane and Larry Hunter.

About 50 chamber members attended the annual meeting.

Grove Float Gets Honorable Mention



Lemon Grove's Horn of Plenty is entered in North Park's Toyland Parade Sunday.

For the first time, this parade will be held during the day. It will start at 2:15 and Monte Hall will be parade marshal. Forty clowns will have part in the affair.

In all, there will be 18 floats, 19 bands and 16 marching units. Lemon Grove elementary school will be represented in the latter two categories.

One of the more attractive floats entered in the Mother Goose Parade was the Horn of Plenty depicting the good things of Lemon Grove. Those civic-minded citizens who put forth time and effort to achieve this were: Dorothy Louer, Ruth Schnick, Paul Louer, Wayne Johnson, Forrest Baxter, Bob Schnick, Mildred Huebsch, Doris Chappelle, and Ina Leonesio.

Those who contributed materials are: Robert Von Willer, use of truck; Stephen Westover, lumber; Lemon Grove Sheet Metal Works; Quality Tool and Machine; and Lemon Grove Hardware.

The float gained "honorable mention", in the "neighboring communities" category. All entrants were given a trophy. The Grove trophy will be on display at the Chamber of Commerce.

Golden Ave. School School News

The afternoon first grade of the Golden Avenue School, along with their teacher, Mrs. Bengston and Mmes. Wright, Copeland, and Christie, room mothers, visited Adam's Turkey Ranch last week. During the visit, the children saw thousands of turkeys, how they were dressed and made ready for market.

For a Thanksgiving unit, these children made books entitled "My Thank You Book." Each page illustrates something that the student is thankful for and also has a suitable Bible verse. The coming of the Pilgrims to America and a study of their lives during the first winter in 1620 and the first Thanksgiving feast has been studed by the group.

Mrs. Elda Bengston, Mrs. Linda McCrackin, Mrs. Nancy Tuthill, and Mrs. Fay Stowers, along with Mrs. Mary Reilly of Monterey Heights School, all attended the November county-wide first grade teachers meeting last week at the San Ysidro Elementary School.

Mrs. O. Mason's class of second grade children from the Golden Avenue School recently took a trip to the fire station at 10th and B in San Diego. They were accompanied by the following mothers: Mmes. Paul Tilton, Martin Cooper, Lawrence Barrows, Bruce Morgan, and George Johncon.

Captain Wright of the fire department showed the students the equipment used in saving lives and property in a very vivid fashion. They also demonstrated many procedures used by the men, such as sliding down the pole, climbing an aerial ladder, and jumping into a net. The children gained a knowledge of and appreciation for the work done by the firemen.

Second graders in Mrs. Agnes Rodgers second grade were guests of the firemen in San Diego last Tuesday. During their visit the pupils saw all the fire apparatus, the big pumper, and the hook and ladder truck. While there, they heard an alarm come in to the station, but they did not see the firemen leave because the fire was in another district. Since the boys and girls returned to class, they have been drawing pictures of what they learned on the trip.

A musical theme was carried out in the decorations which the pupils of Miss Cowden's class at the Golden Avenue School made for the County Kindergarten Teachers' meeting last Tuesday evening at the Monterey Heights School. Each table covering was decorated with a brown staff running down the center and favorite kindergarten songs were built in large orange notes upon the covers. Corresponding notes were used for name tags. Mrs. Gerald Andrews of Monterey donated the flowers. Since the school was new to many teachers in the county, large footprints were posted on all streets leading to it.

Students who participated in the decorating were Connie Bonilla, Mary Monette, Diane Brinegar, Barbara Harrison, Norma Peckstein, Josephine Gardis, Esther Luna, John Harr, Rudy and Fred Rubalcaba, Douglas Lurcook, and Melvin Goff.

S.C.M.G.A. Holds Potluck Meeting

The Southern California Milk Goat Association will hold its regular monthly meeting December 7, at the Library Hall, El Cajon. Visitors are invited to the potluck lunch at 12:30 and to the meeting afterwards at 1:30, announced Mrs. Gordon Edgington of Julian, Publicity Director.

The guest speaker, Rev. Roy D. Brokenshire of Carlsbad will show his film "Saga of the Sea-Going Goats."

Guests should bring their own table service.

Troop 552 Welcomes New Brownies

Brownie Troop No. 552 held an Investiture ceremony for Patricia Gussett, Janice Munn, Laurel Lee Stewart and Diana Clawson Nov. 26. These new Brownies have attended the four required meetings. The ceremony took place at the home of Mrs. John Craig.

The troop, which has a total of eighteen members, invited all the mothers to this very impressive ceremony.

After The Mother Goose Parade

People milling here and there,
the sound of voices fills the air.
The distant sound of marching
bands,
and children playing in the
stands.
An air of contentment lingering
still,
Loaded with balloons we stay
until
The setting sun reminds us all,
The Parade is over until next

Grove Boys Back From Y Congress

Bill Blair, 2680 Buena Vista and Dick Diedrich, 1647 Bakersfield, both Lemon Grove Hi-Y members returned Monday afternoon from the 4th Hi-Y Tri Hi-Y Congress at Asilomar, near Monterey. A limit of 500 Y club members and leaders from the Pacific Southwest YMCA Area participated in the conference held each three years. Christian leadership, democratic methods, and club operations were emphasized in small group discussions.

Grove PTA Goes "Back to School"

"Back to School" was the theme for the Lemon Grove School P. T. A. meeting on Thursday evening, November 20, when parents visited the classrooms of the intermediate school. With periods ten minutes in length, patrons of the school were able to enjoy a "full day" of classroom activity. The teachers explained th etype of work to be covered during the year, methods to be employed, and the purposes of various courses.

At 9:00 p. m., at the conclusion of this program, everyone met at the Golden Avenue School Kindergarten Room for a brief business meeting. After a second reading of the proposed by-laws changes by Mrs Evelyn Whalen, parliamentarian, they were adopted by the group. Mrs. R. Beckham, president, then called on chairmen from the executive board for reports. Mrs. C. Edenfield gave a final report on the membership drive, stating that Mrs. Darroch's 8-2 class won first prize, Mrs. Cornelius' 8-5 class won second prize, and Mrs. Seiler's 7-5 class placed third.

Thomas Brogan reported on the Hallowe'en Carnival and expressed thanks to all those who had helped in many ways to make it a success. Rolland Purves, treasurer, gave an accounting of carnival expenses. Mrs. A. R. Reed, parent-education chairman, distributed lists of Christmas books for boys and girls of school age. It was announced by Mrs. Virgil Danielson, program chairman, that the Music Christmas Concert would take the place of a regular December meeting of the association. Next meeting will be on January 15 at the San Miguel School. The room count award was won by Mr. Dolan's 7-6 class. Refreshments were served by the sixth grade room representatives with Mrs. Myron Gast, chairman.

Grove Kids In Annual Xmas Concert

The annual Christmas Concert given by the music department of the Lemon Grove Schools will be held this year on Wednesday and Thursday evenings, December 17 and 18, at the auditorium in the Monterey Heights School. All groups of musicians are under the direction of Paul Cheatham.

Participating in the concert will be the school orchestra, ensembles, the junior and senior girls' glee clubs, and other vocal groups. Besides the musical offerings on the program, the Nativity scene will be staged by seventh grade students under the direction of Miss Elizabeth Robbins, art teacher at the Intermediate School. The following students are in the cast for the scene: Angels, Margaret Waymire, Claire Tatnun, Mary Ann Atkins, Peggy Moore, Barbara Adams, Barbara Hentigan, Sharon Cassell, all members of the double trio; shephards, Joe Connolly, Fred Hawkins, Harvey Walker, Charles Brustline, Ernest Chambers, John Taylor, Orlin Edwards, and Tom Phillips. Main characters will be played by Mary Conlee as Mary, Lee Birch as Joseph, and Jerry Waddle, Bryon Cannon, and Ellis Edenfield as kings.

Students who are assisting with the stage work include Sandra Waggoner and Pat Frafies, electricians, and Kenneth Smith, property man.

Arrangements are now being made for the sale of tickets to the annual event. Your support is urged. Next week the paper shall carry details on the ticket sale, along with the time of the concert.

'Pappy' Waldorf To Speak At Helix

The A. S. B. of Helix High School is sponsoring one of the outstanding events of the year, the Football Banquet. It will be held at the Helix Cafe on Dec. 11 at 6:30. Tickets are available for $1.60 at the A. S. B. office.

Pappy Waldorf, coach of the famous California Golden Bears, and one of the outstanding coaches of all times will be the principal speaker. Mr. Waldorf has been coaching the Bears for 6 years, during this time the Bears have played 3 consecutive Rose Bowl Games.

The program will include the presentation of 6 individual awards consisting of sweaters, metals and trophies. Letters will be awarded to all the players, whose magnificent playing helped to put Helix in a four way tie position for fourth place in the City League.

Art Thomas Says "Thanks" for "Feather"

Lemon Grove Red Feather chairman Art Thomas has expressed thanks to residents of this area who have generously contributed to the youth, health, and welfare agencies contained in the 1952 Community Chest. In a united way 56 agencies are supported by this annual campaign. "Any residents not reached or any willing toincrease contributions are requested to send funds to Lemon Grove Chest headquarters, Main and Church, or directly to the Community Chest central offices at 1266 7th, San Diego," Thomas said.

He further commended the Vista La Mesa Hi-Y club headed by Ronnie Stull, 4032 Massachusetts, president, and Rollie Daggett, 6912 Radio Rd., advisor, for contacting residents in the area south of Hoffman to Broadway last week.

Old Advice Is Good Advice

When we were mere boys, boys had to do a little work in school. They were not coaxed; they were hammered. Spelling, writing, and arithmetic were not electives; and you had to learn. In these more fortunate times, elementary education has become in many places a sort of vaudeville show. The child must be kept amused and learns what he pleases.

Many sage teachers scorn the old fashioned rudiments; and it seems to be regarded as between a misfortune and a crime for a child to learn to read and spell by the older methods.

(From an editorial n the New York Sun, October 6, 1902)

As gleaned from another publication by Sam Sallader

Grove Woman's Club Set Christmas Party

Instead of an exchange of gifts, gifts of toys will be brought to be placed under the tree and given to the Crippled Children Society.

Garden section will hold their Christmas party on January 6 with a potluck luncheon at 12:30 and exchange of plants. Mrs. Frank Barber, chairman announces.

'Squeaker' Class Teachers Dine

The San Diego County Kindergarten Teachers Club were the guests of the Lemon Grove District Kindergarten Teachers at a dinner Tuesday, Nov. 24, at Monterey Heights School. Guest speaker was Mrs. Josephine Cummingham of La Mesa who discussed music rhythms. Before the regular meeting Mmes. Evelyn Lauritzen and Hazel Mulkey presided at the table during a social hour.

A chicken steak dinner was served. Lemon Grove guests included Byron Netzley, S. K. Sollender, Clarence Allen, Arthur Thomas, Bob Sutton, and Ada Krimsky. Table decorations were by Fay Cowden's class, Golden Avenue School.

These kindergarten meetings of the county teachers offer an opportunity for the exchange of ideas and experiences. Darlene Rozean, county coordinator, is leader of the club.

Christian Scientists Hold Thanksgiving Services

"O sing unto the Lord a new song: sing unto the Lord, all the earth." This verse from the Paslms (96:1) was the Golden Text of the annual Thanksgiving service conducted in all Christian Science churches.

Through thanksgiving and praise, acknowledging God's allness and power, man gains dominion over fear and discouragement.

Letters To The Editor

Editor
Lemon Grove Review
Dear Mr. Goodwin:

There apparently is confusion in the minds of some residents of Lemon Grove regarding the name of three committees working on community interests. The Fact-Finding Committee, which is one, authorized me to write your paper to explain.

This Fact-Finding Committee is engaged in gathering data to determine values of different directions of political procedure, namely, unincorporation, as Lemon Grove now is; incorporation; or, annexation to an already incorporated city (San Diego or La Mesa). Mr. John Dail was elected in absentia as chairman.

The Citizens Investigating Committee is a group of citizens of Lemon Grove who met in open meeting and organized themselves into a unit to authorize the activities of the Fact-Finding Committee. Mr. John Dail was elected in absentia as chairman.

The Citizens Advisory Committee is composed of representatives from, and chosen by, various local service clubs, community organizations, churches, and schools. The purpose of this committee is to advise respecting community activities in general. It is currently engaged in the subject of school unification. The chairman of this committee is Mr. John Dail.

Meetings will be held each evening this week at 7:30 o'clock in the church at 2800 Main, Lemon Grove.

Helix Senior Test Results Gratifying

Seventy per cent of the Helix Senior Class took the Essential High School Battery Tests. These students were selected at random.

The National average was at the fifth percentile. Helix scored five points above the national average, an unusual achievement for a school only one year old.

Math—Fifty-two Percentiles.
Science—Fifty-four Percentiles.
Social Studies—Fifty-four Percentiles.
English —Sixty Percentiles.

(Percentile is often confused with percent, therefore, the following explanation may be helpful.

Percentile is based upon a division into one hundred equal groups of a series of tests arranged in order of magnitude. Thus indicating the individuals superiority over the specified number of such groups.)

Credit Reporting Service For Area

A long-felt need in this part of San Diego County for a credit reporting service is being met with the opening of The Credit Bureau.

The Credit Bureau, with its office located at 337 North Magnolia, El Cajon, is being managed by E. E. Arganbright, long time San Diego County resident with many years of experience in the credit reporting and collection field.

Full time operation of the office will begin in the near future, Arganbright reported yesterday.

Arganbright explained that The Credit Bureau is being established to meet the demands of many Eastern San Diego County retail merchants who have long felt the need of a central agency to compile credit records concerning individuals in this area, and to make credit reports to these merchants selling merchandise and services on credit.

It will be the purpose of the bureau to establish confidential records on as many persons as possible in the near future, and for that purpose the public will be invited to file information with the bureau in order to assure the establishment of their credit.

Arganbright, who has spent most of his life in San Diego County, has been, for most of that time, operating credit reporting services ,and has established a wide reputation for reliability in that field.

Election debts were paid in the accepted fashion last week when Bob Sargent, operator of the Broadway Barber Shop found himself supplying the horsepower to a ride for Charlie Montgomery.

Congregational Church Notes

The Ladies Aid of the First Congregational Church will meet Friday at 12:30 for their regular potluck luncheon and meeting in Friendship Hall.

The Board of Trustees of the church will meet next Monday at 7:00 p. m. All members are expected to be present.

Every Monday night is Square Dance time for the Young Mrs. Club. They meet in Friendship Hall at 7:30 with their two callers, Dale Hamilton and Stanton Bryan, both local men. There is room for more couples.

The Adult Choir will be practicing every Wednesday Friday night from now till Christmas.

The new church library in the back of the Sanctuary, (use the rear door) is now open to the public with some mighty fine books, both fact and fiction. Mrs. Emmett Beebe, H6-9317 who is in charge wants it known that time is growing short for ordering a new Revised Standard Version Bible for a Christmas gift. She is still taking orders however, either at home or in the Library.

United Presbyterian Youth Collects Toys

The Youth Fellowship groups of the La Mesa United Presbyterian Church, 4426 Harbinson Avenue, are collecting toys to be given at Christmas time to the 160 children who are receiving treatment at the Crippled Children's Hospital in San Diego.

A receptacle for these donations of toys has been set up at the Church. Also the young people will gladly arrange to pick up toys from any donor who will phone Miss Nancy Lindberg, president of the Junior High YF, at H6-7629.

Toys that need minor repairs or painting are most acceptable and will be made to look like new by a series of "work parties" among the youth groups during the next two weeks.

Also, it is reported, food and canned goods will also be welcomed and will go to some of the families of these crippled children who are especially destitute.

Yovapoi and Apache Indians To Receive Dolls From Girl Scouts

Troop 361 is working on their child care badges, most of the girls have completed making rag dolls that are suitable for a small child. These Girl Scouts of Monterey Heights are sending them to the Yovapoli and Apache Indian Reservation in Arizona to be given to the Indian children.

Mrs. Ralph Martin, leader of the troop reminds the Scouts they too should be thankful to the American Indian for all he contributed, in lessening the hardships of their forefathers during their first years in America.

Lisa Partyka Has A Party

New Sand Table In M. H. School

The first grade children in Mrs. Madge Lowery's class are enjoying a new sand table, a gift from Edward Huhn of the Lemon Grove Sheet Metal Shop. When the children were examining their gift, one of the tots exclaimed, "It's something to be thankful for!" This class is from Monterey Heights School.

Second grade kiddies in Mrs. Geissler's room visited Fire Station 2 in San Diego last week. The lieutenant showed children the hook and ladder. Some of the students were permitted to jump into the life net from a safe heighth.

Parents included Mrs. C. I. Adams, Mrs. Leslie Grey, Mrs. David Hentigan, and Mrs. Bill Richardson.

Helix Students Spread Thanksgiving Cheer

The Lassies, Girls League of Helix High, sponsored a drive to get canned food for a needy family's Thanksgiving dinner. Boxes were placed in each first period class and students were asked to bring canned vegetables, fruits and meats.

Another cheer spreading idea originated in Mrs. Field's first period gym class. This group began a drive to adopt a needy family for which they provided a Thanksgiving dinner.

Mrs. Lorene Beard, mother of Yvonne Beard, volunteered to contribute a turkey, and the class supplied the "trimmings."

Troop 280 Helps Needy Families

Mrs. Paul's Scout Troop 280 donated two baskets of food to needy families in Lemon Grove for Thanksgiving. The girls collected some of the canned goods at Hallowe'en. Instead of Trick or Treat they asked for donations for a needy family's Thanksgiving dinner. In addition each girl donated something and several were able to donate chickens.

BEST DRESSED THUGS CAUGHT

They were the best dressed robbers in the Lemon Grove area until the police caught up with them. The two were the thugs who robbed Roy Lane's Encanto store. Police picked them up in San Diego earlier this week.

The clothes that could be retailored were cut to fit the men. Merchandise that could not be used was given to their friends. The men were from Northern California and Texas. One has a prison record.

MIL'S MUSINGS

Continued from page 1

Tackle for the sake of Christmas spirit, all is not too sublime on the mesa. About 6 weeks ago a stag party was held at an officers club. All frats except two showed up. Unfortunately, 27 cases of beer were "liberated" from the club. The club being government property, the FBI was called in. To give the guilty an opportunity to make restitution, the federal men allowed a period of grace during which they expected the beer, or reasonable fascimile, to be returned. It wasn't. Question now is how the college can avoid government prosecution, which is promised to the full extent of the law, next month.

TEENER... of the week.

By Beverly Henderson

Another of our more scholarly teenagers is Myrna Haupt, 17, daughter of Mr. and Mrs. M. M. Haupt, 3221 Kempt St.

Myrna is an active member of the C. S. F., Science, Art, and church youth groups. She is the holder of many Art and Scholastic Awards. Among them are: 2nd prize — Adult competition (1949). 2nd prize — Honorable mention, junior competition, San Diego County Fair (1951) 3rd and 4th prize and merit in 1952. Myrna and her family came to Lemon Grove 5 years ago from Detroit. She has attended schools in Michigan, Ohio and California, and is now a senior at Helix. Although art is Myrna's chosen profession, she enjoys listening and discussing classical music. She has a brilliant mind and can discuss most any subject with ease and complete confidence. Her pet peeve is "people who quote the Readers Digest."

She has a weakness for butterscotch sundaes, but manages to keep a trim 117 lbs. which is just right for her 5'6½" height. Hobbies include music, art, swimming, square-dancing and collecting books. "To be reasonably accepted in her chosen profession" is Myrna's highest ambition. She will continue with her studies at State college after graduation.
